## **Travel to St Helens and the conference venue**

St Helens is a small town with good road, rail and bus links. The venue for this year's With For About event, **Ravenhead Social Club**, is a short taxi or bus ride from one of three **train** stations serving the borough of St Helens:

**St Helens Central** is the main train station. It is 8 minutes by taxi or a 35 minute walk from Ravenhead Social Club.

From St Helens Central, you can also walk to either Bickerstaffe Street or St Helens Bus Station to take a bus. Plan your journey ahead by visiting

**St Helens Junction** is further out but it is served by faster trains from Manchester and Liverpool. It is 10 minutes by taxi from Ravenhead Social Club.

**Thatto Heath** is the closest station to the venue and is a 10 minute walk from Ravenhead Social Club.

Bus: A 10 minute ride on the 10a or 33 from Thatto Heath Station Stop A. Plan your journey ahead by visiting

### **Taxis**

We recommend booking with [Cable Taxis](#) (01744 777777) in advance if possible.

### **Parking**

There is a free car park at the conference venue. It has limited space. You can also park on Stafford Road.
