A ZINE FOR YOUNG WOMEN
BY YOUNG WOMEN

**A ZINE IS A DIY/
SELF PUBLISHED
MAGAZINE**

Hello!

And welcome to 'Parrty!' a zine celebrating young women
in Parr and surrounding areas.

This issue has been made by St.Helens based artist Kate Hodgson,
as part of a project with Heart of Glass.

This is the very first issue, but the aim is to make a series of
zines all about young women in St.Helens.

This is a Zine for young women by young women.
We would love to hear from you!

The next issue has the theme of 'future' and throughout this
issue we will be asking you questions about what future means to you.

There are different activities in the zine
but if you have something else in mind that is great too.
Keep reading to find out more!

I'm Kate

I'm an artist from St. Helens and I work across the North West. I often work with local communities and I am particularly obsessed with slogan t-shirts!

I love using language to make my own slogans. Slogans are such a great way to get a message across.

They can be fun and light hearted but still convey an important message.

I love printmaking too. When I'm not printing you will find me shopping for more slogan t-shirts or petting dogs.

I'm really pleased to be working on this project and I am excited to see how together we can shape the future of Parrrty!

HAVE YOUR SAY!

This is a zine for you, your friends and other young women.

What do you want to see in future issues of the zine?

Do you have an idea, story or tip you want to share with others?

The next couple of pages are activities you can get involved with.

You can fill out the activities using a pen or with your phone using the digital version of this zine.

Have some fun and start doodling!

WHAT DOES YOUR FUTURE LOOK LIKE?

Do you have any plans for the future? Whether it's next week or in ten years... What do you want to do? Who are you inspired by? Where do you want to be?

USE THIS SPACE TO WRITE DRAW OR COLLAGE

Send this activity back and it will be featured in next issue!

ACTIVITY 1

ACTIVITY 2

When Parr becomes Parrrty

This is your chance to bring the 'PARrrTY' to Parr! Imagine you are re-designing Parr... What would you keep? What would you change?

Are there places in Parr you and your friends would like to celebrate? Use this map or design your own and show us your vision for PARrrTY!

ACTIVITY 3

DESIGN YOUR OWN SLOGAN POSTER

The back of the poster in this issue is blank for you to design your own poster...

Share your slogan and it could be featured in a future issue!

TIPS AND TRICKS

TAKE INSPIRATION FROM SLOGAN T-SHIRTS.

THINK ABOUT WHAT FONT YOU WANT TO USE! DO YOU HAVE A FAVOURITE?
Maybe it's hand drawn bubble writing?
Or a computer font?

KEEP IT SHORT AND SNAPPY.
USE CONTRASTING COLOURS

FREE POSTER

There is a free poster included in each zine!

What is the future for you?

Fill in the final line of the poster... put it on your bedroom wall or maybe in your window for friends and neighbours to see!
